DERMAL FILLERS

Dermal fillers can provide you with a fresher more youthful look, smoothing out lines and restoring natural contours. The fillers we use are formed from a naturally occurring substance and are extremely safe to use plus with the advanced cannula technique and anaesthetics, discomfort and bruising are fast becoming a thing of the past.

The treatments takes around 30 minutes and will have an instant result that will last between 6-18 months dependant on product choice and skin type.

This treatment can be used to correct:

- Thin or lined lips
- Nose to mouth lines
- Forehead or frown furrows
- Down turned smile
- Sunken cheeks
- Puffy eyes or dark circles
- Aged hands

Dermal fillers are charged per syringe and prices will vary on amount used and product choice
